**Testimony in Support of  
S.B. No. 318, 'An Act Concerning Private School Transportation'**

Before the Education Committee

March 2, 2016

As a Parent of Nicole Pantanella at St. Cecilia Elementary School, I support S.B. No. 318.

Our family adores St. Cecilia and highly recommend it to many families. The family morals and ethics the school instills in our children is amazing.

Our children learn to be kind in an ever-changing environment. Being a business person, the lessons taught at a young age is very important.

We thank the town for supporting busing. Bus transportation helps our family by allowing us to get to our careers timely, and we love our driver. He is a very caring person who ensures the safety of our children. Please do not take this needed transportation away. Our school drop off lines will not be able to handle the volume and the congestion around the school will become very unsafe.

For these reasons, I urge the committee to support S.B. No. 318.

Sincerely,

Jennifer Pantanella
